

Caring for America  
Care Packages for  
American Troops in Afghanistan

I, Alexis Cugini, am working on my Silver Award for Girl Scouts and would like to collect materials to send to our troops. This would be a onetime event in order for me to accumulate my 40 hours of service time and management experience.

I will set up a box for donations at the Girl Scout House for any troop that wishes to help. I also would like any Girl Scout Troop that is able to help write postcards that will be sent along with the boxes. These postcards should include a short message with no personal information; however they may sign their first name in the closing.

The due date is before May 28, 2010.  
Thank You Very Much For Your Support

Donation Ideas On Page 2
