Level Handbooks	Leader Guides

There are several copies of level handbooks, resource books, leader guides and Interest Project books. Some of them are out of date and can be used for reference and some are more current. When borrowing a book, put your name, date and troop number on the index card found on the side of the cart for that book and return it to holder. When the book is returned, mark your name off of the card and put it back in holder on side of cart. If the book has a card, place your name, date and troop number on the card, place card in holder. When you return the book, remove the card from the holder and put it back in book.
