

Networking for Yorba Linda Cadette, Senior & Ambassador Advisors

Don't reinvent the wheel... come get ideas from other older girl advisors like you. Together we can accomplish more with limited time and resources, just by sharing ideas!

All Cadette, Senior & Ambassador Advisors are invited to attend two networking sessions on at 7:00 pm at the Scout House.

- **Monday, November 30, 2009**
- **Monday, March 29, 2010**

We hope to share ideas and inspire each other as we work with this unique and challenging age group. Please be prepared to share your troop's plans, activities and challenges. It would be great to foster relationships between troops.

Discussion topics will include:

- service project ideas
- social activities
- badge work
- trouble spots & how we've dealt with them
- leadership development
- helpful resources
- your girls' favorite GS activities
- Gold and Silver Award

Please spread the word to other YL teen GS advisors.

We hope to see you there!
